ABOUT

What a lovely surprise – I received a *personal* letter from Jacopo Biondi Santi and Tancredi Biondi Santi announcing the launch of their JeT 2020 vintage – what a nice touch!

Here is a unique backstory on this wine.

- This wine was created out of passion and innovation
- The initials “JeT” represents Jacopo and Tancredi
- This wine was developed with oenologist Donato Lanati after 3 years of research
- The Sangiovese Grosso “BBS11” clone is the innovation of the Family – an off-the-skin vinification at low temperatures
- This variety is typical of the Tuscan Maremma’s territory

Soil: coarse-grained Galestro

Altitude: 300 – 500 metres a.s.l.

Variety: Sangiovese grosso BBS11 100%

Tasting notes

This elegant rose from Castello Di Montepo is pale blush and soft rose in colour; it exhibits freshness with the intensity of fruit and floral notes which all transforms on the palate; impressive structure, well-balanced through to a long lingering finish. Delightful!

91/100
